Holiday care routine,

As we stive to best support children's wellbeing, we will continue to follow the core kindy routine throughout the holiday period with a few minor adjustments around some service maintenance to be carried out these holidays.

We will meet outside of a morning for planned activities and fun before coming together and moving indoors. Indoors the children will enjoy a choice of individual or group play and activities. Children will come together for lunch before transitioning for more outdoor play and fun in the afternoon.
