

Background

A “Responsible Person” is accountable for the management and supervision of an approved service in accordance with the Education and Care Services National Law and Regulations. At least one responsible person must be physically present at a centre during hours of operation. At C&K there are three types of responsible persons:

1. Approved Provider/ Person with Management or Control (PMC)	2. Nominated Supervisor (NS)	3. Responsible Person in Charge (RPIC)
<ul style="list-style-type: none"> • C&K Board Member • C&K Executive Management Group members 	<ul style="list-style-type: none"> • Centre Director • Co-Directors • Extended Kindergarten Lead Educators • Early Childhood Education Managers (temporarily/when recruiting a Centre Director) 	<ul style="list-style-type: none"> • Assistant Directors • Teachers • Lead Educators • Assistant Educators (in some circumstances to meet operational requirements)

Approved Providers/Persons with Management or Control

Approved Provider and Persons with Management or Control Responsibilities

- C&K is an Approved Provider and is approved by the regulatory authority to operate education and care centres.
- As illustrated in the above table, members of the C&K Board and Executive Management Group are Persons with Management or Control (PMCs). As PMCs, they are legally responsible for C&K branch centre management and have significant influence over the activities or delivery of C&K branch centres.
- A PMC must be (and remain) a fit and proper person and has the same legal responsibility for the safety, health and wellbeing of children as an Approved Provider. For further information, refer to pages 23 to 27 of the Guide to the National Quality Framework.

Person with Management or Control Application and Approval Process

- Within 14 days of appointment:
 1. Newly appointed PMCs must apply for a Provider Digital Access (PRODA) account and obtain an individual Registration Authority (RA) number. Identity documents must be submitted for this application. Follow steps outlined in the Services Australia webpage: How to register for an individual PRODA account.
 2. The Approved Provider must notify the regulatory authority of the PMC appointment by completing and submitting a PA08 Notification of change to information about approved provider (online form) via the National Quality Agenda IT System (NQAITS). The PRODA number is required for this notification. A PA02 Declaration of fitness and propriety form (paper/written form) and identity documents must be attached to the PA08 Notification.
- The regulatory authority may ask a PMC applicant for more information or make enquiries to assess whether a person is ‘fit and proper.’ This assessment may be related to the person’s compliance history (in relation to former and current education and care law), criminal history or other matters including their management capability, financial and/or medical conditions that may limit their capacity to meet their obligations under National Law.
- In addition to the documentation submitted with the PA02 Declaration of fitness and propriety form, the regulatory authority may obtain information by interview, written assessment or both. The Australian Government may also assess a person’s fitness and propriety under the Family Assistance Law. The regulatory authority and/or Australian Government can reassess a person’s fitness and propriety at any time. For further detail, refer to pages 23 to 27 of the Guide to the National Quality Framework.
- To prepare for a knowledge assessment (relating to the role of a PMC of an education and care centre), a PMC is encouraged to complete the National Law & Child Care Subsidy Approval Course. To download a completion certificate, 80% of the course must be completed. Completion certificates can be submitted with PA02 Declaration of fitness and propriety form as additional support documentation. The course can be previewed via the following links:
 - Module 1: Child care approval in Australia
 - Module 2: Education and Care Services National Law approval
 - Module 3: Child Care Subsidy (CCS) approval
 - Module 4: How to apply
 - Module 5: After you're approved
- If an existing PMC is no longer engaged by the Approved Provider or is no longer fit and proper for any reason, C&K will notify the regulatory authority within 7 days by submitting a PA08 Notification of Change of Information about Approved Provider (online form) via the NQAITS.
