OVERVIEW

We provide a flexible program that reflects the children's interests and spontaneity. Whilst children are in our centre, educators are intentional and responsive in their practices, as a crucial role is to support children in developing a sense of agency and acting as leaders in each child's learning.

WHAT TO BRING

Food: Morning tea, lunch and afternoon tea

Essentials: Hat, water bottle, sun smart clothing, and enclosed shoes.

***Embedded Programing:

Gardening, Care of Environment, Exploring Birds of our yard and their Spring activities. Literacy and Numeracy and Cultural themes woven into the planned activities.

***Spontaneous activities can be added manually during the week to follow the children's interest in the moment.
