

MONDAY 21 SEPTEMBER	TUESDAY 22 SEPTEMBER	WEDNESDAY 23 SEPTEMBER	THURSDAY 24 SEPTEMBER	FRIDAY 25 SEPTEMBER
STEM Today we will explore how light and space affect movement through hands-on experiments. Using Lego and loose parts, we will collaborate, problem-solve and design purposeful spaces. We will also explore sound through music, visual arts and creative movement.	Thinkers and Thorisers Today we will explore our learning environment as thinkers and theorists. Through measuring, counting, estimating and comparing, we will investigate different shapes and sizes while constructing and deconstructing with a variety of materials.	Wacky Wednesday (Crazy Dress up Day) Today we will explore our imaginations through Wacky Wednesday activities. We will develop skills in role-playing, dance and movement. We look forward to exploring and investigating our environment to enhance our imagination, both individually and as a group.	Wellbeing Warriors Our outdoor adventure day will provide challenges that support physical development through fine and gross motor activities. We will explore what keeps us healthy through hands-on investigations and discover how wellbeing supports a healthy body and mind.	Culinary Masterpiece Can your nose guess the food? Today, children will investigate the science behind cooking as we bake up a storm (dietary needs catered for). They will explore different ingredients, smells and textures throughout the experience. Children will use their imaginations to create nature recipes while collecting items from the environment.
MONDAY 28 SEPTEMBER	TUESDAY 29 SEPTEMBER	WEDNESDAY 30 SEPTEMBER	THURSDAY 1 OCTOBER	FRIDAY 2 OCTOBER
Nature Investigations Today, the children will explore the environment in its many shapes and forms. They will use nature to build their understanding of sustainability and investigate habitats through activities that encourage awareness and a sense of belonging.	Space Adventures Blast off into a day of discovery as we journey through outer space! We will explore the solar system, compare planets and think like scientists through measuring, counting and problem-solving. Children will imagine visiting planets, design space stations and work together as they reach for the stars!	Book Day (Bring your favioute book) Today, children are encouraged to bring their favourite book. We will read and share our stories with friends and participate in activities that bring them to life. This will encourage role-play, imagination and verbal and non-verbal communication.	Camping Adventures Your little explores will be testing their current knowledge as they explore their imaginations and creativity by designing a camping space and participating in role play. Games, navigation challenges and treasure hunts will also allow the opportunity to build on social and communication skills.	Rest and Relaxation Today is our final day of holiday care! Children will help design the learning environment, developing problem-solving, social and confidence skills. We will explore relaxation and self-regulation through yoga and movement before enjoying a G-rated movie and snack together.

FEES

Cost per day - \$146.80

C&K Carindale Community Kindergarten

Address: 24 Cuthred Street, Carindale 4152

OVERVIEW

We provide a flexible program that reflects the children's interests and spontaneity. Whilst children are in our centre, educators are intentional and responsive in their practices, as a crucial role is to support children in developing a sense of agency and acting as leaders in each child's learning.

HOURS

Monday to Friday
8:15am to 6:15pm
