| <p><b>Beaded Snail Figurines</b><br/>Create a cute snail made of clay, pipe cleaners and beads.</p> <p><b>Leaf Stamping</b><br/>A simple sensory-rich activity where children paint leaves and press them onto paper to create colourful nature prints.</p> | <p><b>Nature Wands</b><br/>Let the magic and creativity spark by transforming a stick into a nature wand!</p> <p><b>Clay Imprints with plants and flowers</b><br/>Create interesting patterns by pressing down leaves, small stems and flowers into soft clay to capture their shapes.</p> | <p><b>Bug Hotel</b><br/>Build a bug hotel for our Kindy to create habitats for our friendly critters.</p> <p><b>Nature Bingo</b><br/>Ready for an adventure! How many nature items can you find around Kindy and tick off on your board.</p>                                                                                                    | <p><b>Beaded Snail Figurines</b><br/>Create a cute snail made of clay, pipe cleaners and beads.</p> <p><b>Leaf Stamping</b><br/>A simple sensory-rich activity where children paint leaves and press them onto paper to create colourful nature prints.</p> | <p><b>Nature Wands</b><br/>Let the magic and creativity spark by transforming a stick into a nature wand!</p> <p><b>Clay Imprints with plants and flowers</b><br/>Create interesting patterns by pressing down leaves, small stems and flowers into soft clay to capture their shapes.</p> |
| MONDAY 28 SEPTEMBER                                                                                                                                                                                                                                         | TUESDAY 29 SEPTEMBER                                                                                                                                                                                                                                                                       | WEDNESDAY 30 SEPTEMBER                                                                                                                                                                                                                                                                                                                          | THURSDAY 1 OCTOBER                                                                                                                                                                                                                                          | FRIDAY 2 OCTOBER                                                                                                                                                                                                                                                                           |
| <p><b>Light Catcher</b><br/>Create your own light catcher using dried leaves, flowers press and stick.</p> <p><b>Flower Bloom</b><br/>Paint your own plywood flower to create a Spring Sculpture for our Kindy outdoor area.</p>                            | <p><b>Mud Kitchen</b><br/>Explore the joy of cooking by combining water with a variety of outdoor elements like leaves, petals and dirt.</p> <p><b>Worm Patterns</b><br/>Create a worm with pipe cleaners, beads and googly eyes.</p>                                                      | <p><b>Worm Farm</b><br/>Explore the world of worms and learn their important role in nature. The children set up a worm farm at Kindy and watch as the worms transform waste into rich compost overtime.</p> <p><b>Nature Bingo</b><br/>Ready for an adventure! How many nature items can you find around Kindy and tick off on your board.</p> | <p><b>Light Catcher</b><br/>Create your own light catcher using dried leaves, flowers press and stick.</p> <p><b>Flower Bloom</b><br/>Paint your own plywood flower to create a Spring Sculpture for our Kindy outdoor area.</p>                            | <p><b>Mud Kitchen</b><br/>Explore the joy of cooking combining water with a variety of outdoor elements like leaves, petals and dirt.</p> <p><b>Worm Patterns</b><br/>Create a worm with pipe cleaners, beads and googly eyes.</p>                                                         |

#### FEES

Cost per day - \$123.70  
(excludes incursions and excursions)

#### HOURS

Monday to Friday  
8.15am to 6.15pm

#### OVERVIEW

We provide a flexible program that reflects the children's interests and spontaneity. Whilst children are in our centre, educators are intentional and responsive in their practices, as a crucial role is to support children in developing a sense of agency and acting as leaders in each child's learning.

**\*Activities may be repeated and introduced on different days\***

#### WHAT TO BRING

**Food:** Morning tea, lunch and afternoon tea  
**Essentials:** Hat, water bottle, sun smart clothing, extra clothing for any spills and waterplay, and enclosed shoes.

*We are a **PEANUT, EGG & KIWI AWARE ZONE** due to life threatening allergies.*

Kindergarten  
with extended hours

Themes: Celebrating Spring/Nature & Sustainability  
Projects

# September Holiday Program 2026
