	Inside activities Children's choice of a variety of quiet activities and games.		Inside activities Children's choice of a variety of quiet activities and games.	Inside activities Children's choice of a variety of quiet activities and games.

Holiday care routine:
In striving to best support the children's wellbeing, we will continue to follow the core kindy routine throughout the holiday period with a few minor adjustments around some service maintenance to be carried out these holidays.
We will meet outside of a morning for planned activities and fun before coming together and moving indoors. Indoors, the children will enjoy a choice of individual or group play and activities. Children will come together for lunch before transitioning to more outdoor play and fun in the afternoon.
