	**Shrink & Shine Keychain**  Today, children will unleash their creativity by designing their very own shrink plastic keyrings. From cute animals and colourful rainbow to favourite characters and funky patterns, children can bring their ideas to life through drawing & colouring. The real magic happens when their designs are heated and shrink into adorable little keepsakes!	**New Year Party**  Let's welcome the New Year with a fun-filled celebration! Children will enjoy party games, music, dancing as we celebrate new beginnings together. We invite families to bring in a small plate of New Year or party food to share with their friends, creating a wonderful opportunity to celebrate different traditions, share delicious treats and strengthen our sense of community. Let's make some happy memories and start the New Year with lots of laughter, friendship and fun! Note: we would appreciate if families could bring in some food from home to share with the children! Thank you!	**Sink or Float Experiment & Fruit Salad Day**  Are you ready for a fruity day full of discovery and delicious fun! Children will become little scientists as they explore different fruits in our sink-or-float experiment, making predictions and discovering which fruits sink and which ones float. After our exciting experiment, we'll turn our fresh fruits into a colourful, yummy fruit salad! Children will have opportunities to explore science and learn about healthy eating while enjoying a refreshing treat they helped create. Let's splash, explore and make something delicious together! Note: we would appreciate if families could bring in some fruit from home to share with the children! Thank you!	**Pokémon Adventure**  Get ready, Pokémon Trainers! Today, children will step into the exciting world of Pokémon for an action-packed adventure! Children will design their own Pokémon and create a special Pokémon trainer identity before heading outdoors for an exciting Pokémon mission hunt. Will you become the ultimate Pokémon Trainer? Let the adventure begin!
